## War Guns Roar As Reds and Allies Continue to Trade Verbal Blasts

## Truce Negotiators Exchange Uncompromising Notes Amid Reports of Enemy Activities

Tokyo, Sept. 4.—(P)—Truce negotiators exchanged accusing, uncompromising notes today amid predictions a 400,000 man Red army may soon launch a new offensive in the Korean war.

Gen. Matthew B. Ridgway's headquarters said the Communists have a total of 70 divisions available, backed by 1,000 planes, plus tanks and artillery. It added:

"Large numbers of Caucasian Soviet puppet troops" had moved into North Korea.

Along the battle line fighting reached its greatest intensity in four months. Reds were reported to have re-equipped and resupplied at least 40 divisions, about 400,000 men, on the front with 30 more in reserve since now disrupted truce talks started July 10.

Chief truce negotiators exchanged six sharp notes today. Each accused the other of distortion. Neither proposed resuming armistice meetings which the Reds broke off two weeks ago.

The notes between U. S. Vice Adm. C. Turner Joy and North Korean Lt. Gen. Nam Il dealt solely with three asserted violations of the Kaesong neutrality zone in Korea. They were Red accusations.

Joy denied them all. He said Nam Il's "distortion" could "not transform allegations into realities."

Despite the bitterness of the notes, a source close to the United Nations command said hope still existed among truce negotiators that armistice talks would be resumed.

However, the general view was heavy with pessimism. Responsible quarters said efforts to get truce talks going again appeared to have deteriorated under a welter of wasted words.

Nam Il sent three lengthy notes telling Admiral Joy "your consistent method of distorting facts and flat denial" was not a satisfactory answer to Red charges.

He repeated Communist accusations that (1) an Allied plane dropped flares Aug. 29 in the Kaesong area where truce talks were held, (2) South Korean troops killed a Red military policeman in the neutral zone Aug. 30, and (3) Allied troops killed one Communist and wounded another on the edge of the zone Aug. 19.

Gen. Matthew B. Ridgway's headquarters in Tokyo said the Reds were in position to launch a new offensive. It gave this picture of the Communist buildup:

Forty divisions—about 400,000 men—on the battle line.

## Prices of Student Lunches Up a Little

Dr. Carl E. Whipple, superintendent of Warren Borough schools, announced this morning that it has been found necessary to make a five-cent increase in the students' lunches served at Warren High and Beatty Junior High schools. The price will be 30 cents instead of 25 cents. Dr. Whipple said that while the schools have been favored with the receipt of government surplus foods, including all potatoes used and certain other items, none of this will be available henceforth. It has been necessary to give the cooks a 10 cents per hour raise, meat has increased, and there has been no appreciable reduction in other food prices.

## TRUMAN TALK TONIGHT TO BE BROADCAST

San Francisco, Sept. 4.—(P)—Intensive behind-the-scenes negotiations today convinced American leaders, including President Truman, that they have the votes to defeat any Russian drive to disrupt the peace.

But none could say just how long it will take to get a peace treaty signed.

Mr. Truman flew in from Washington yesterday with a new warning of possible Communist offensives in Korea, Asia or Europe. He will open the conference tonight with a major address at 7:30 p. m. (9:30 p. m., EST.) The address will be televised and broadcast nationally.

The first working session will be held tomorrow morning. Russia's tactics are expected to be quickly disclosed at that time.

The president's latest warning to the country to be on guard and continue its defenses sounded a grim note. It came on the eve of the gathering of 51 delegations at San Francisco's gilt-and-marble opera house to close the books on World War II in the Pacific.

Though his speech was aimed at a homefront audience of potential defense bond buyers, it had a direct significance for the host of diplomats assembled here from over the world.

"Whether the negotiations in Korea are successful or not," he said, "we must continue to drive ahead to build defensive strength for our country and the free world."

"The plain fact is that the Communists may try to resume the offensive in Korea at any time. Moreover, they are capable of launching new attacks in Europe, in the Middle East or elsewhere in Asia—wherever it suits them!"

As conceived by the American government, conclusion of the Japanese peace treaty is a major task in the drive to build the free world's defenses. While formally ending World War II and restoring Japan's independence, it would permit Japan to rearm and sign a projected Japanese-American agreement to station United States forces in Japan after the occupation.

## Teachers' Meeting This Afternoon, To Dine Out Tonight

Warren borough teachers enjoyed a short program at Beatty Junior High school this afternoon when they met together for the first time during the 1951-52 school year, and after the meeting at Beatty they adjourned to the buildings where they will teach for a meeting with their principal.

Rev. Nore G. Gustafson, pastor of St. Paul's Lutheran church, made a few remarks at today's meeting and offered an earnest prayer for the success of the school year.

Dr. Carl E. Whipple, superintendent of schools, made some announcements regarding the school program as did Gerald M. Newton, director of instruction and curriculum, who also spoke on the teaching of citizenship and world understanding.

Miss L. Edna Glasser, president of the Warren Borough Teachers' Association, welcomed the new teachers and announced the dinner for all teachers to be held tonight in the High School at 6:15. The new teachers were individually introduced by their principals. Joseph Passaro is chairman of the teachers' committee which is serving the dinner.

## RETURN PASTORS TO CHARGES IN THE AREA

Free Methodist conference sessions concluding over the weekend at the Pleasantville camp grounds returns to their local charges the Rev. Stacey E. Barr, First Church of Warren; Rev. Earl E. Fyfe to Youngsville, and Rev. John B. McCleary to Sheffield.

Others reappointed for the area include Rev. Charles Craytor, Tidoute; Rev. E. A. Kern, Tionesta; Rev. S. Stimer, Pleasantville.

## HIGHWAY FATALITY

Pittsburgh, Sept. 4.—(P)—An auto-bus crash on holiday-clogged route 30 at nearby Imperial early today killed a Tiffin, O., man and injured his daughter and grand-daughter. Killed was John Newton, 74. Mrs. Cleo Harpest, 49, also of Tiffin, his daughter, and Glenna Harpest, 13, were taken to the Ohio Valley Hospital. Mrs. Harpest said the family was returning from visiting Allentown relatives.

## KULPMONT TEACHERS REFUSE TO REPORT

Kulpmont, Sept. 4.—(P)—Some 31 teachers of the Kulpmont school district left their classrooms today as the fall term opened without their May salaries being paid. Albert W. Ross, supervising principal, said the district had no immediate prospects of raising the estimated \$10,000 needed to pay the back salaries. He said an emergency meeting of the school board would be held tonight to consider the problem.

## IRANIAN SITUATION

Tehran, Iran, Sept. 4.—(P)—Iran's premier tomorrow will "clarify" a recent Iranian counterproposal on the oil nationalization dispute in the hope of bringing about renewal of the British-Iranian oil negotiations, a government spokesman said today.

## SPECIAL SESSION

Judge Allison D. Wade presided at a special session of common pleas court this morning, and two juvenile cases were to be brought before him this afternoon. On Wednesday, he will hear a habeas corpus proceeding in regard to the custody of a child.

## Warren Residents' Niece Is Killed In Clarion Co. Crash

Zola Marie Myers, 19, of Fisher, Clarion county, and her escort, Mervin Daniel Neiswonger, 24, of Strattanville, met instant death at 5:30 p. m. Sunday when a car driven by Neiswonger veered off Route 68 near Five Points and wrapped itself around a tree.

The dead girl was the daughter of Mr. and Mrs. James Myers of Brookville. She is a niece of the following Warren residents: Mr. and Mrs. Ernest Stewart, 22 Hemlock street; Mr. and Mrs. William Stewart, 24 Hemlock street; and Mr. and Mrs. James Stewart, 2 Bauer street.

Pennsylvania State Police described the accident as "one of the worst we have seen in some time." The car struck the tree with such force that the frame was wrapped around the trunk and the motor was thrown free. It was necessary to use cutting torches to extricate the bodies.

Funeral services for Miss Myers will be held in Fisher Presbyterian church, of which she was a member, at 3:30 p. m. Wednesday, with burial in Fisher cemetery. Mr. and Mrs. Ernest Stewart, Mr. and Mrs. William Stewart were at the Myers home in Fisher last evening, and will attend the funeral.

## TWO CARS DAMAGED

In the only automobile mishap which occurred over the Labor Day week-end, Pennsylvania State Police reported heavy damage was done to cars driven by William V. Hice, of Russell R. D. 1, and Edward Colher of 7 Jackson street, North Warren. The accident occurred at 12:15 a. m. Saturday on Route 6, one mile west of Warren, when the Colher car, headed east and just being started, was struck from the rear by the Hice car. The Colher car was turned over, but no one was injured.

## FAST WORK ON BARN

County Commissioners said this morning that very rapid progress is being made on construction of the new barn at Rouse Hospital, and it is expected the structure will be in use by late November.

## Range of Man's Vision Around Earth's Surface to More Than Double Tonight

New York, Sept. 4.—P—The range of man's vision around the earth's surface will more than double tonight with the inauguration of coast-to-coast television.

When President Truman addresses the opening session of the Japanese peace treaty conference in San Francisco at 9:30 p. m., EST, he can be seen as far away as Boston, a distance of almost 2,750 airline miles.

Previously, the American Telephone and Telegraph Company's TV network channels reached only as far west as Omaha, 1,300 airline miles from Boston.

The historic link will be by way of A. T. and T.'s new \$40,000,000 microwave radio relay system which actually covers 3,000 miles in its zig-zag course from New York to San Francisco. It carries telephone calls and television programs on sharply focused radio beams relayed from horizon to horizon around the earth's curvature by 107 towers. It has been in use for television as far as Omaha for about a year and was opened to telephone service all the way to San Francisco last month.

The new link will add four cities—Salt Lake City, San Francisco, Los Angeles and San Diego—to the 50 already connected by both radio relay and the more familiar underground coaxial cable.

The National Broadcasting Company estimates there are 1,380,000 TV sets in use in the four cities to be added to the network and 11,360,000 in those already connected—or 12,740,000 in all. Hugh I. Beville, Jr., NBC research director, says that's 95 per cent of the total sets in use in the entire country.

However, a total of about 85,000,000 persons, including those who don't have sets, live within range of television stations in those cities.

## Emergency Has Few Week-End Mishaps; None on Labor Day

The long Labor Day week-end did not bring the activity which had been anticipated by the emergency room attendants at the Warren General Hospital, and cases treated were mostly of a minor nature, with only one patient being retained on the roster. There were no motor accident cases admitted, and Labor Day itself passed over without a single patient being treated in emergency.

Several persons were injured Friday. The most serious mishap occurred when George Adams, who lives at the Pierce Hotel, 2043 Pennsylvania avenue, east, suffered painful burns while at work at the Solar Electric Corporation. Fluid which was being used to dip bulbs exploded, and at Warren General Hospital Mr. Adams was found to have suffered damage to both eyes, burns to his face and arms, and lacerations to both hands. Surgery to his hands was necessary and Mr. Adams is still a hospital patient.

Arthur Loucks, 208 Prospect street, an employee of the DeLuxe Metal Furniture Company, was injured Friday when he cut his left forearm on a piece of steel, three sutures being needed to close the wound.

Richard Christensen, 14, of 14 Bigelow street, was discharged Friday after cuts on his left hand had been dressed. He was injured at 1 a. m. in an accident on Route 62.

Harold Unger, Clarendon R. D. 1, had three sutures inserted to close a scalp laceration, Friday. While at work at the Warren Auto Body Company, a trunk hood fell on his head. He was treated at the hospital.

## Borough Police End Private Campaign For Infantile Paralysis Relief Funds

Warren Borough police rudely interrupted the holiday jaunt of four Pittsburgh women, Monday afternoon, after a call from Russell gave information that the quartette was soliciting funds for the relief of infantile paralysis victims.

Apprehended at the borough line by police, the women and the luxurious 1948 Lincoln sedan in which they were riding, were taken to police headquarters to be interrogated by Chief Mike Evan. They were unable to produce credentials which would give them any right to solicit funds. Inasmuch as they had been brought in before started to solicit funds here, no charge of misrepresentation could be placed against them but the driver of the car, Marie H. Eichler, 410 River avenue, Pittsburgh, was charged with operating a motor vehicle without a driver's license. Arraigned before Magistrate Tracy Greenlund, she was fined \$13.50. Claiming inability to pay the fine, the women "camped out" in the car until late in the day when they hired a local taxi driver to drive the car to Pittsburgh, leaving a valuable watch as security.

According to borough police, the women said they had been operating in the vicinity of Niagara Falls for three weeks. Each appeared to have a substantial amount of silver in an individual bag.

Laid out on the counter at police headquarters yesterday was the paraphernalia with which the women produced tear-jerker cards to hand out in their solicitation, one of them reading "I had infantile paralysis. Please aid me on my way to go. And may your heart be strengthened by the gifts." (Turn to Page Eight)

## FATALITIES IN NATION REACH TOTAL OF 637

By The Associated Press

A staggering death toll of more than 600 from violent accidents marked the nation's observance of the Labor Day weekend.

Fatalities on the highways, in the air and in the water hit an all-time high for the holiday.

Deaths in traffic accidents soared to a record high for Labor Day. A survey from 6 p. m. Friday to midnight Monday (local time) showed:

637 accidental deaths, compared to the 559 over the 1950 Labor Day weekend, the previous high. 447 traffic fatalities as compared to the old record of 410 for a 78-hour Labor Day holiday in 1949. 97 persons drowned, including 37 on the capsized fishing boat Pelican off the eastern tip of Long Island. The fishing boat disaster was the worst accident over the holiday period.

93 persons lost their lives in accidents of miscellaneous nature, including plane crashes, fires, falls, etc.

The nation's highways were jammed with millions of cars in

## "Crazy Fool" Drivers Blamed for Accidents

Chicago, Sept. 4.—P—A small proportion of "crazy fools" among the nation's motorists were blamed by a safety official for the Labor Day weekend's record high death toll.

Ned H. Dearborn, president of the National Safety Council, said many of the nearly 500 traffic victims were "innocent bystanders who died because they had the misfortune to encounter the crazy fools who infest our highways these days."

In a statement, Dearborn said: "Most of our traffic accidents are caused by relatively few people who refuse to act like decent human beings and behave like morons."

the last long holiday of the summer season. Fatal mishaps were reported in nearly every state.

The National Safety Council had estimated the traffic death toll would reach 390 for the holiday. But the council, noting the heavy toll during the first two days of the extended weekend, revised its estimate yesterday to "more than 500" deaths.

Last Labor Day 383 were killed in highway accidents while the total accidental deaths numbered 583.

"It's a high price indeed to pay for a little holiday fun," commented Ned H. Dearborn, Council president, on the record traffic toll.

The council's figures show an average of 295 persons have been killed in traffic accidents every 78 hours in 1951. However, the

## Feeling of Lasting Peace Is Apparent Between Japs and Caucasians at 'Frisco

By G. K. Hodenfeld  
San Francisco, Sept. 4.—(P)—This golden gate to the Orient made its peace with the Japanese long before diplomats started talking about a treaty.

It has the appearance of a lasting peace. Never before has there been such good feeling between Japanese and Caucasians in San Francisco.

It was vastly different when bombs rained down on Pearl Harbor Dec. 7, 1941. Feeling ran high against the Japanese here, although many were native born Americans, or "Nisei."

More than 110,000 Japanese immediately were evacuated from

the west coast, 6,500 from San Francisco alone. They were sent to relocation centers, far from military installations, ports and factories subject to sabotage. Even those who had only partial Japanese ancestry were included in those rounded up by the U. S. army.

The first to return from the camps arrived in San Francisco Jan. 2, 1945 — just eight months before Japan formally surrendered.

There were no incidents then. There have been few since. The Japanese themselves say this era of good feeling is, ironically, a direct result of the war.

## 'Warren' Found On Charred Folder At Wyoming Camp Fire

Proof that "it's a small world" is contained in an air mail letter received by The Times-Mirror today from Mrs. Leslie Tatjes, 600 Hope Avenue, Santa Barbara, Calif., in which she reports discovering a burned and charred remnant of a New Process advertisement beside an abandoned camp fire in Grand Teton National Park, Wyoming.

Mrs. Tatjes is the former Erma Andereg, daughter of Mike Andereg, North Warren, and a 1925 graduate of Warren High school. She was employed by New Process Company before going to California.

"You in Warren probably won't gasp and squeal when you see the enclosed charred paper with 'Warren, Penn.' on it," writes Mrs. Tatjes. "When I noticed it in the ground the 'Warren' part of it was still clear even though burned. 'Here's my story. My husband and I, for our annual vacation went to the Grand Teton National Park in Wyoming. On our way home we decided to take some secondary roads so we could see some of the beauty of Idaho. We inquired in a service station and the attendant recommended a United States forest road. It was an unapproved road and very narrow, with turnouts here and there if one should meet a car. The second night we spent in this country we decided to make camp in one of the beautiful public camps. Had the place all to ourselves and I noticed someone had been good enough to leave wood for our evening campfire. I stood there enjoying the beauty of the place and

suddenly I cried out to my husband, 'Look there on the ground.' It was the only piece of paper there. I think you can say 'It's a small world' or 'The New Process Company gets everywhere.'"

Mrs. Tatjes had carefully enclosed the charred paper in cellophane and mounted it in a miniature photo folder.

The accident occurred at the intersection of Dartmouth street and Pennsylvania avenue, east, near the boy's home, when he and a friend, Roy Buchanan, son of Mrs. Norman Buchanan, 1307 Pennsylvania avenue, east, were returning from the movies. Philip was taken to Warren General Hospital and kept under observation until he was discharged on Sunday.

## Memorial Fount In Cook Forest to be Unveiled Sept. 15th

A large memorial fountain honoring those who saved Cook Forest for the people of Pennsylvania, will be unveiled on Saturday afternoon, September 15, at 2 o'clock. U. S. Senator James H. Duff will make the principal address.

The fountain, built of native stone, stands on the trail that leads to the Forest Cathedral, the principal point of interest in Cook Forest State Park. Pure Water is piped to it from a hillside spring, and it is flanked by permanent benches on which weary hikers may rest.

Planned for a number of years, the memorial was completed late last year.

Two bronze tablets on the structure tell, briefly, of the struggle that was waged earlier in this century to save this outstanding area of forest from the woodsman's axe.

The wording on one of them is: "This tablet is erected by the Cook Forest Association in the year 1950 in honor of those citizens who by leadership, labors, and gifts made possible the preservation of this virgin white pine forest for the enjoyment of all the people."

## Hadassah Nashmittag Tee for Zamling

Mrs. Myers Berenfield, president of Warren Chapter of Hadassah, was hostess at her home, 6 Glenwood street, for a delightful tea marking the 40th anniversary of the founding of the national organization and to welcome new members of the local unit. For the program, a candlelight ceremony introduced the following heads of committees: Hadassah medical organizations, Mrs. Abe Schwartz; Youth Ahyah, Goldie Gordon; Jewish National Fund, Mrs. Raymond Stein; Hadassah supplies, Mrs. Harry Segel; membership, Mrs. Ned Schulman; program, Mrs. Elie Gordon. A question and answer forum acquainted the new members with the aims and purposes of the organizations. Among those introduced were chapter officers pictured above, left to right: Mrs. Shulman, secretary; Mrs. Berenfield, president; Mrs. Fred Greenwald, treasurer. The vice president, Mrs. Norman Gross, was not in attendance. At the conclusion of the program, tea was served from a beautifully decorated table with two guests, Mrs. Sonia Samuels, Pittsburgh, and Mrs. M. Nudelman, Phoenix, Ariz., presiding. Assisting the hostess were Mrs. Abe Schwartz and Mrs. Raymond Stein. The regular season for the local chapter will get under way with a meeting to be held September 18.

The National Geographic Society says there are nearly 100,000 movie theaters in the world.

Shore stations usually can track down a break in a trans-oceanic cable to within half a mile.

## Local Photographer Finishes Course At Winona Lake School

Mr. and Mrs. Everett Stoke have just returned from Winona Lake, Ind., where Mr. Stoke attended the Winona School of Photography at which time he took a post-graduate course in advance photography. Every phase of portraiture was included in the curriculum. After completing this course he was awarded a certificate of merit. International in its scope, many states and Canada were represented among the more than 50 selected students.

The instructing was under the personal supervision of master photographers, widely known in this country, Paris and Canada, who are rated among the highest in their profession.

Mr. Stoke highly praised the instructors and lecturers whose teaching techniques imparted knowledge and inspiration. The faculty included such experts as Paul Lindwood Gittings, Houston, Texas, who instructed photography in the modern manner. John E. Platz, Milwaukee, Wis., an expert in bridal portraiture, having for years specialized in this phase of his profession. Walter Scott Shinn, master photographer of New York City, instructed child photography. Mr. Shinn has no equal in producing portraits of "Young America" that lives.

Laurence W. Blaker, Manhattan, Kan., was instructor in portraiture of men. In the photographic field, Mr. Blaker is a noted authority on portraits of men.

Maurice Tabard of Paris, France, who is outstanding in varied phases of photography, is staff photographer for Paris and London, England edition of Harpers Bazar. He instructed in creative photography and geometry of art and life.

Mr. Stoke was a former student of this school in 1936 at which time he took a complete course in photography.

## New Residents

Warren's thirtyish younger set is bidding welcome to two new residents, Les Cagle and his wife, Polly, above, who are moving here from Webster Grove, Mo., and will occupy the Honhart residence in Pleasant township. Mr. Cagle will be local representative for the Minnesota Mining Company.

While somewhat of a football player in his own day, Les Cagle comes from a gridiron family and is a younger brother of the famous Christian "Red" Cagle, who was all-American backfield man for Army three years, graduating back in 1926.

"Youngsters? Nope, we have none," said Cagle yesterday, "but I've got a swell mother-in-law, Mrs. Vera Whittinghill, and a grand dog, 'Luckie,' and they're going to live with us."

Les Cagle graduated at St. Louis University in 1938, where he was a football man, and later played professional ball for Cleveland.

## Scouter Back From Schiff Reservation

Richard Schuler, who will soon enter his junior year at Pennsylvania State College, has concluded an interesting summer spent as a quartermaster at Schiff Boy Scout Reservation National Training Center in New Jersey.

"Dick" was a member of Troop 9 of the First Methodist church and also served on the Camp Olmsted staff before entering Penn. State. Although his parents, Mr. and Mrs. Fred Schuler, have moved to Altoona, "Dick" still considers Warren as his home and is staying currently at the Schuler camp at Barnes and with Mr. and Mrs. C. C. Winans, 104 Buchanan street. He is spending a few days with his brother, Alan, in Meadville.

"Dick" reports that the Schiff Reservation was a very busy place with Scouts and Scouters coming from all over the nation for some phase of Scout training. Bob Bannon, Jerry McConnell,

and Dave Hoffman, all of Warren, took a two weeks' leaders' training course at the Schiff Reservation in July.

**GOLDEN WEDDING DAY**—Mr. and Mrs. George W. Peterson, 227 West Main street, Youngsville, who were married 50 years ago September 12, will hold open house at their home next Sunday, September 9, in celebration of their golden wedding day. The hours will be from three until five in the afternoon and from seven until nine in the evening and all relatives and friends are cordially invited to share with them in this happy occasion.

—Borg Studio

Julia Lawson and George Peterson were married in the home of the bride's parents, Mr. and Mrs. A. W. Lawson, with the Rev. Car Henderson, pastor of St. Paul's Lutheran church of Warren, officiating. They have spent their entire lives in and near Youngsville and have a wide circle of friends to join in best wishes for their golden anniversary. An only son, Klahr, is a music teacher in Shippensburg but will be with them for the occasion.

Will Be Spring Bride

George H. Betts, 114 Fourth avenue, announces the engagement of his daughter, Alice Elaine, to Ward C. Hitchings, son of Mrs. Ethel Hitchings, Syracuse, N. Y. Miss Betts was graduated from Warren High school in 1948, attended Kent State University, Kent, O., where she is a member of Alpha Phi Sorority. She is currently employed on the news staff of the Jamestown Post-Journal. Mr. Hitchings is a graduate of Syracuse University College of Forestry, where he is a member of Phi Gamma Delta Fraternity. He served two years with the U. S. Army during World War II, with eight months of duty in the European theatre of operations, and is presently employed by the Jamestown Veneer and Plywood Corporation. A spring wedding is planned by the couple.

**MR. AND MRS. JAMES A. MCGUIRE**

In a pretty candlelight service in Grace Methodist church at 7:00 p. m. Saturday, Ruth Carol Dunkle, daughter of Laurence Dunkle, 1310 Pennsylvania avenue, west, and the late Mrs. Dunkle, and James Alton McGuire, son of Mr. and Mrs. D. L. McGuire, RD 1, Warren, were united in marriage.

The ceremony was performed by the Rev. C. W. Baldwin before an altar banked with palms and white flowers. Mrs. Kenneth Nielson, church organist, played traditional wedding music, and Beverly Adams sang "O Promise Me," "Because" and the "Lord's Prayer."

The bride, wearing a blue satin gown, was matron of honor. She had a matching headress and carried a colonial bouquet of carnations. Bridesmaids were Joyce Wilson, Priscilla Zerbe, Frances Tomason and Sandra Dunkle, wearing orchid, green, gold and aqua satin respectively. Their dresses were strapless with net overshirts and waist-length boleros. They wore matching headresses. All carried colonial bouquets. Cindy Prett, serving as flower girl, wore a similar outfit in white.

Groomsmen were James Dunkle, best man, with Richard Dunkle, Richard McGuire, Robert McGuire and William Tannler, ushers.

The lovely bride, escorted and given in marriage by her father, wore a white satin wedding gown, styled with a net yoke edged with a chantilly lace ruff and a long train. Her fingertip veil of illusion net was edged in chantilly lace and fell from an orange blossom head piece. Her only jewel was a single strand of pearls, carried as the bridegroom, and she carried a colonial bouquet.

The bride's sister, Mrs. Minor Snarburg, wore rose with black accessories and a yellow rose corsage. Mrs. McGuire wore a gray and green gown with green accessories and a corsage of red roses.

Immediately following the ceremony a reception was held at the old Oakview lodge for 150 guests. A five-tiered wedding cake, centered the bride's table. White candles and fall flowers completed the decorations.

The couple left for a wedding trip through the southern states. For traveling the bride chose a light beige suit with black accessories and a yellow corsage.

The bride is a graduate of Warren High school, class of '49, and is employed at Sylvania. Mr. McGuire served three years in the United States Army, 29 months in the ETO. He is at present employed at the National Forge.

Out-of-town guests were Mr. and Mrs. Merritt Lareton, Meadville; Mr. and Mrs. Lewis McGuire, Lawville; Mr. and Mrs. Lloyd Hopkins, Mr. and Mrs. Russell Hopkins, Mr. and Mrs. William Hopkins, Bradford; also, guests from Tidouate, Kinzua, Clarendon.

Pre-nuptial affairs were given by Mrs. Minor Snarburg, Mrs. Charles Tuttle, Frances Tomason, Joyce Wilson, Mrs. Richard McGuire, Sandra Dunkle and her aunts, Lauretta and Eula Dunle, who gave the rehearsal party.

**TELEVISION TALK**  
By CHUCK LOSH

"Aerials are popping up all over," and why not? The television season is in full swing. For the sports-minded, college and professional football, championship boxing, and the world series are soon to be on tap. The large variety and top-notch drama programs will soon hit the air-waves with such dependable names as Milton Berle, Jack Benny, prize-winning "Studio One," and spooky "Lights Out." Better get that set in soon, don't miss the greatest year yet in television programming.

One of the finest developments in television viewing has been released by SYLVANIA on certain models of their new 1952 line. This innovation has been dubbed "HALOLIGHT." Television strain is greatly reduced, if a small lamp is kept burning in the room during telecasting activities. Sylvania engineers have now built this feature into their 20" models. The screen is surrounded by a border of cool light which can be adjusted over fine ranges of brilliance. This tends to prevent the viewer from concentrating too intently on a small area of lighted screen thus reducing eye-strain and increasing viewing comfort. You can see the new "Halolight" and all of Sylvania's great '52 line at WESTERN AUTO STORE, 227 LIBERTY ST., PHONE 1483. Western Auto is Warren's Pioneer TV Dealer.

P. S.—Sylvania has just reduced the prices on all models from \$30.00 to \$90.00. —Adv.

September Bridge Tournament Plans

Marconi Bridge Club officers and members are busy with plans for entertaining players of the area for the annual Warren Bridge Tournament to be held at the Marconi Outing Club September 14-16. George Goff will be director for the play, to start off with a one-session game on Friday for the mixed pair championship and possession of the Barbara Denison Trophy.

Two sessions on Saturday will decide the open pair championship and winners of the Mrs. Albert R. Eckwell Trophy, with a special consolation game in the evening for those who fail to qualify during the afternoon.

Sunday's play will be for the HyVia Trophy, symbol of the open team of four championship, and will also be in two sessions.

Rounding out the schedule, dancing and refreshments will provide a pleasant social hour Saturday night when playing has been completed.

VERY SUCCESSFUL PHALANX DANCE

The Phalanx Fraternity of the YMCA is happy to announce that over 200 of Warren's young people turned out for its "Back-to-School" dance at the Youth Canteen Saturday evening to make it a success from all angles. Starting at 8:30 o'clock and lasting until 11:30, those attending had a delightful evening of dancing to the music of Deane Swanson and his orchestra.

Younger Set Gets in the Golf Picture

—Phil Coyle Photo

Chuck Jones, golf pro at the Conewango Valley Country Club, poses with top figures in his junior tournament completed last week. In the second row, left to right, are Jill Printz, little champ; Joan Beckley, winner of the 14 to 18 girls' trophy; Kay Costley, with the 10 to 14 girls' trophy; Tony Creal, winner for boys 10 to 14. In the front row, same order, Chris Creal is little champ runner-up and Emmy Robertson is runner-up in the 10 to 14 class. Other runners-up, not pictured, were Mary Mitchell, 14 to 18 group, and Tim Dremann, boys 10 to 14.

The pro has been giving free golf lessons to junior members of the club since last June, with 18 to 20 boys and girls having twice-a-week instruction, and provided trophies for winners of a junior tournament. Winners were Jill Printz, daughter of Mr. and Mrs. Frederic Printz; Joan Beckley, daughter of Mr. and Mrs. Stewart Beckley; Kay Costley, daughter of Mr. and Mrs. Richard Costley; Tony Creal, son of Mr. and Mrs. T. E. Creal. In the runnerup position for the same age groups were Chris Creal, brother of Tony; Mary Mitchell, daughter of Mr. and Mrs. A. M. Mitchell; Emmy Robertson, daughter of Dr. and Mrs. Hugh Robertson; Tim Dremann, son of Mr. and Mrs. W. J. Dremann.

Jones reports the lessons were received with such enthusiasm by younger fry that he expects to have a bigger and better program for the 1952 season, which will include weekly and monthly tournaments.

Warren Players Club Plans Tryouts For First Play "Good Housekeeping"

With the reopening of borough schools and notices of other fall activities comes the news the Warren Players are preparing for another season of productions.

From seven until nine on Thursday and Friday evenings, September 6-7, the Jefferson room of Warren Public Library will be the scene of tryouts for the first play of the season.

At that time, Beatrice Trax and Mary Helen Johnson will hear readings from a new play, "Good Housekeeping," chosen for the club's first offering.

The play is a rollicking comedy which requires a cast of two very young men and two older ones, including a college president with home as well as two young ones and several college girls. In the original production, the feminine lead was played by Helen Hayes.

The directors urge all Players Club members interested in acting to appear for these tryouts, as well as any newcomers and prospective members who care to attend.

Copies of "Good Housekeeping" are available for reading at the library and further information may be secured by calling Mrs. Robert Israel, 3554.

### ALL STUDENTS ARE INVITED TO DANCE

The High School Girls Club of the YWCA invites all Beauty and high school students to attend its Back-to-School dance to be held in the YW gym this evening. There will be a small charge for dancing from 8:30 until 11:00. Pop and candy will be sold. All are urged to start the new school year off with a bang by meeting school chums old and new.

### ISABEL CORBRAN IS PARTY GUEST

Mrs. Donald DuMont was hostess at her home for a miscellaneous shower which honored Miss Isabel M. Corbran, a bride of the near future. Table decorations consisted of a two-tiered cake topped with miniature bride figures, with tiny pink roses, white tapers and garden flowers carrying out the pink and white color scheme. A number of games were played, with prizes going to Mrs. Francis Kane, Jean Mitchell and Patti Rapp.

The bride-to-be received lovely gifts for her new home from the following: The Misses Ann Blech, Rose Driscoll, Jean Mitchell, Patti Rapp, Marilyn Samuelson, Theresa A. Scalise, Frances Ulrich, Mary Wozniak, Mrs. Frances Kane, Mrs. Donald Edinger and the hostess.

### SCHOENTHALER-ALFORD MARRIAGE ANNOUNCED

A quiet wedding took place in the First Free Methodist church Friday, August 31, when Charles Schoenthaler, 9½ Nesmith Place, and Miss Nettie L. Alford, formerly of Kane, were united in marriage by the Rev. Stacey Barr, pastor of the church.

Mr. Schoenthaler has resided in Warren for the past 16 years and is employed by Paramount Furniture. His wife is the daughter of the late Mr. and Mrs. Andrew Alford, Highland road near Kane, and a granddaughter of the late Rev. and Mrs. John Alford, Brookville.

### CATHOLIC DAUGHTERS

The Catholic Daughters of America, Court 834, will hold their first fall meeting at 8 p. m. Wednesday in the YWCA activities building. A large turnout is hoped for, as the year's activities will be announced and applications for new memberships will be given out. Chairmen for the social hour are Mrs. E. G. Kopp, Mrs. Teresa Keeler and Miss Catherine Sullivan.

### ASKS RESERVATIONS FOR WOMEN DINNER

Members of Anne Stigelmier's losing team in the recent Women of the Moose contest are to entertain winners at dinner in conjunction with the next regular meeting, September 12, and are asked to call her as soon as possible. The winners, and any other chapter members wishing to attend the dinner, must make reservations with her, also, no later than September 10.

**RETURNS TO SHIP**—Don Scallie, MM3, has returned to his ship at Seattle, Wash., after spending a 30-day leave with his parents, Mr. and Mrs. Natalie Scallie, 119 North South street. Don saw considerable service with the Navy in the Korean fight, taking part in the invasion of Inchon and the evacuation of Huanan. He wears an "E" award on his arm, symbolic of the Navy E awarded his ship, the USS Catamount, for efficiency in competition with 10 other ships in his fleet. (Times-Mirror Photo).

## Recruits Desired For Naval Reserve Surface Division

Having already earned the distinction of the highest rating in the Third Naval District and setting its sights on the national competition this fall, the Naval Reserve Organized Surface Division 3-68 of Jamestown, N. Y., is putting forth every effort to meet requirements of the federal inspection to be held October 9.

Since a full unit complement will be one of the important factors in determining the winner of the James V. Forrestal Trophy, the commanding officer, Lt. Sidney W. Blackman, Jr., announces approximately 30 recruits are needed immediately in order to bring the division up to full strength and have the men properly uniformed before the inspection date.

All young men of the area served by the Jamestown station, between 18 and 28 years of age and physically fit, are eligible for enlistment in the Reserve Unit, Mr. Blackman states. Those who have passed their 17th birthday and have not yet reached their 18th, must have the written consent of parents, he reminds.

The Jamestown Naval Reserve station offers young men opportunity of securing qualified training for ratings in such fields as radiomen, radarmen, electronic technicians, machinists' mates, damage controlmen, quartermaster, metalmiths, and many others. The veteran who wishes to re-enlist may continue studies in the field in which he was discharged, maintaining his previous rating.

Along with classroom instruction, 48 drills in each year's service, the Reservist also receives two weeks of intensive training at a regular Naval Station or aboard ship. Members receive regular pay for drills, the amount increasing as they qualify for higher ratings.

Recruits interested in further information concerning enlistment in the Naval Reserve Surface Division may contact station personnel at 301 Hazeltine avenue, Jamestown, or may call for an interview any Tuesday evening, when instruction classes begin at 7:30 o'clock.

The Liberty Bell has been removed from Independence Hall in Philadelphia on nine occasions since 1776. Most of these were for exhibitions in other cities except in 1777, when it was hidden in an Allentown, Pa., church to keep it out of British hands.

## Local Scout Signs Jamestown Player

Don Sudlov, former Jamestown high school baseball star, signed a Cleveland Indian contract over the weekend after a two-day tryout at Cleveland municipal stadium.

Sudlov was secured for the Indians by Scout Rabbit Swanson of Warren, after the player was declared a free agent by George Trautman, minor league baseball director. Sudlov said his contract with the Olean Oilers of the PONY League was voided because of a clause which said he would be released at the end of the season.

The Jamestown player stands six feet four, and weighs 185. He was assigned to the Port Smith, Ark., club of the Class C Western Association League. He had been with the Oilers since Aug. 2, after being released from the Yankees chain, and has pitched in relief twice.

## County Firemen Have Enjoyable Family Picnic

About 100 were in attendance at the annual family picnic sponsored by officers and members of the Warren County Active Volunteer Firemen's Association held at Wilder Field, Irvine Sunday afternoon and evening. The afternoon program started at 1:30 o'clock with a full program of athletic events and contests for young and old. At six o'clock a bountiful dinner was served, with special committees looking after the details and make certain that everyone was well cared for.

The photo above shows officers of the Association: Left to right, Sam Gigliotto, assistant secretary, Pleasant township; Merle See, Treasurer, Youngsville; Lester Howies, president, Columbus; Ted Rogers, vice president, North Warren; Gurney Ball, secretary, Youngsville.

Photo below shows contestants in the Lemon Blend Bottle sucking race. Left to right they are: Ted Rogers, assistant chief, North Warren; Merle See, chief, Youngsville; Leonard Falsbrick, chief, Clarendon; Dave Ritchie, Jr., chief, Sheffield; Lester Howies, chief, Columbus; Pat Ferris, chief, Russell. In the contest nipples were placed on the bottles. Howies finished first, and as a prize received a necktie which he is shown wearing around his neck.

## Students in Sheffield Twp. Schools To Resume Their Studies Wednesday

Sheffield, Sept. 4—Students in Sheffield township schools will resume their studies Wednesday morning following their summer vacation. The first day of school will witness shortened periods with the students registering and receiving their books.

Sheffield high school, Lincoln and Washington grade schools will begin classes each day at 8:45 a. m. and school will be dismissed at 3:05 p. m.

All students entering the local schools for the first time regardless of what grade they are entering, must have their smallpox vaccination certificate and also their birth certificate with them.

Teaching staffs in the local schools will remain the same as last year with the exception of the third grade teacher in Washington school. Mrs. Russell Olson, who has been on leave of absence, will return to her teaching of this class which was taught last year by Mrs. Dana Hoover Larimer.

The Barnes grade school where

the first three grades were taught will not be open this year and the few students who would have attended the Barnes school will be transported by bus to Washington grade school. Mrs. Hazel Griffith, the Barnes teacher, has accepted a position to teach in Warren.

The Woman's Missionary Society of the Bethany Lutheran church will meet at 2:30 p. m. Wednesday afternoon at the church with Mrs. Jesse Johnson Sr., and Mrs. Arthur Anderson as the hostesses.

Mrs. Lawrence Stotz will give a book review on "So sure of Life." Sheffield high school's graduating class of 1939 had a reunion Saturday evening at the Marconi Outing Club, Warren, with about 75 class members and guests present. Plans were made for the class to meet again in 1952 on August 24. Persons were present from New Jersey, New York and Pennsylvania.

# OUTCAST OF DESTINY

PAUL EVAN LEHMAN

Chapter 22

BRENT rode swiftly in a half-circle about the town as he approached it from the north. He did not don the black robe; any figure sighted by the outlaws would be of no account. He had happened they'd hail once, then shoot. And maybe they wouldn't bother to hail once.

He debated taking to the hills but killed the impulse at once. He had to be in Destiny and his best chance of getting back was right before the alarm bell came general. Once on the far side of town he headed directly for the old barn, depending upon the darkness to mask his movements.

As he crossed the open space behind it he heard the pound of hoofs in the street and the shout of men as parties were organized. The outlaws were rushing to the south but there was the chance that they would post guards about the town knowing that whoever had done the hijacking had been known and the probable time of his return.

He saw a light in the barn. It was the danger signal but he had to chance it anyhow. He rode as close as he dared then whistled a few bars of O. Suzanna. The light was extinguished and Bub's whistle reached him. "That you, Suzanna?"

"Yes, all clear."

"I dunno. Make it snappy. They're hell to pay and somebody might come in any minute. Gimme the boss; I'll ride him around. And you better figger on what you're gonna do if they search the town a'gin."

"I will. Don't rid' far; stick around and if they start searching whistle Suzanna." He unstrapped his blanket r and mounted the ladder with a creak. He hid behind the roll under some rubbish and sat down on a keg to await the outcome of the night's adventure.

So the law was getting ready to close in. Well, it was time but his coming might mean the defeat of his plan of vengeance. Lu had no escape; he'd have to sell his life as dearly as possible.

When Bub fetched his supper that night the old fellow said, "You sure have stirred up a nest of hornets. What happened?"

Brent told him, including in the story his discovery that Lem

He did not know how long he had been sitting there when he suddenly realized that Bub was within. O. Suzanna! He got quickly to his feet, moved to the window in the rear and peered past the dangling shutter. A thin moon had come up and by its light he could see horsemen riding slowly across the open space between the barn and the hills. Guards had been posted.

He turned away, glancing about him in the darkness. He couldn't hide under rubbish and stalls and feed bins would most certainly be examined. He glanced at the barn roof. The ridgepole had sagged down to within five feet of the loft level, but the loft extended only a short distance and there were ten feet of open space between him and the sagging timber. He saw a faint light from a beam running from wall to wall directly beneath the opening and there was a foot-wide sill extending along the side wall.

Brent edged out on the sill, feeling his way with his feet and clinging to an overhead rafter until he found the cross beam. He went over it like a tightrope walker. The ridgepole sagged a bit but held; he swung himself up, inched up the boards a few feet and lay still. Beneath him in the alley he heard the tread of feet and the voices of men. They came into the stable.

They searched thoroughly, mounting to the loft with lanterns and drawn guns. Somebody said, "Any chance of his getting in the loft?"

"No, unless he can fly." They clattered down the ladder and went across the alley to search Bub's shanty.

When they had gone, Brent slithered to a space which was comparatively level and where he could lie without hanging on. It was close to dawn when the excitement abated and he could venture back into the loft. He did not sleep; if another search was made in the daylight there would be no escape; he'd have to sell his life as dearly as possible.

When Bub fetched his supper that night the old fellow said, "You sure have stirred up a nest of hornets. What happened?"

Brent told him, including in the story his discovery that Lem

## Dragon Varsity Gridders Score 46-0 Triumph Over Reserves

Garbed in their "blue jerseys," the Warren High Dragons romped to a 46-0 victory over the Reserves yesterday afternoon in the traditional intra-squad game played on War Memorial Field.

The score nearly matched that of last season, when the starting eleven handed out a 52-0 whitewashing to the Reserves.

Head Coach J. B. Leidig started the game with the predicted lineup, but did a great deal of shifting around to feel things out in readiness for the season opener against Coxy Friday night.

On the whole the backfield showed plenty of speed and secured additional weight when Ben Pastrick was exchanged from the line into the fullback position. Another noticeable shift was the placement of Toby Shea to the end slot for a time.

Scoring in the game came soon after the kickoff, when Henderson fumbled on his own 20 and Dick Hegerty picked it up and raced to the two yard line and Shea plunged for the score. Dean Vesting also plunged for the extra point.

The second tally came late in the quarter when Ed Frontera returned Jim Tridico's punt to the 50 back to the 21 yard line, from where quarterback George Scalise hauled one to Shea for the TD. Scalise's placement failed.

In the second period Vesting carried back Mohney's 40 yard punt to the Reserve's 40. Clark Wright picked up nine yards. Dick Walchli 18, with an aerial from Vesting to Berdine accounting for the second first down on the 20 yard stripe. From there Vesting tipped through right tackle to touch pay dirt, giving the Blues a 19-0 lead as the pass for the extra point failed.

A 67 yard drive was climaxed for the first score after intermission, as the Leidigmen racked up four first downs in seven plays. Frontera drove through for 14. Vesting nine, Shea 13 more, and Scalise 15, before Frontera fumbled and took an eight yard loss. Scalise then hit Vesting with a 15 yard pass to the 10. Frontera carrying scampers to the three from where he plunged over into the end zone. Shea busted the center of the line for the EP.

The Whites, under the coaching of Joe Massa, took to the air and went to the mid-way mark on a 25 yard aerial from Henderson to Dick Carlson. But Chuck Conaway stopped the drive with an interception, which he brought back to the Whites 47.

Scalise tore off five marks and Pastrick, running as fullback, picked up a first down on runs of three and seven yards. The score

## S-P-O-R-T-O-R-I-A-L-S

(By Joe Gardner)

Doreen Forslund, the Holling Press Debs' Star Pitcher, is a student at Michigan State College—a windmill windup and blazing speed gives Doreen the edge over batters. So far this season she has pitched more than 100 innings and has 94 strike-outs to her credit while only allowing 9 bases on balls. The opposition has scored only 12 runs off her delivery, and she has lost only 2 games, each of these by a one-run margin. This is an outstanding performance in soft ball. Miss Forslund has, on many occasions, pitched to men baseball and softball players who believed that they could hit her blazer with ease. She was so successful in sitting down these hopefuls, that she will challenge any three of Warren's outstanding baseball or softball players to face her on the mound Saturday, September 8, and if she does not strike out off three, the Kiwanis Club will offer suitable prizes to the lucky boys. It has been suggested that "Emmy" Morrison, "Red" Swanson and "Art" Johnson offer themselves as targets for this exhibition pitching of Miss Forslund. Personally at that distance, we would rather face an oncoming express train. "Pike" Peterson feeling that the Debs might need his good right arm, has offered to be on hand if needed—but according to "Gibby" Johnson, "Pike's" moshball experience lasted only one pitch in one inning of one game, a rather limited experience to offer to a nationally known softball team.

Warren's Kiwanis Club is to be congratulated for their effort which brings to Warren an attraction second to none in the sports world. Few towns of Warren's size can boast of being able to stage an extravaganza of this calibre. The appearance here of the Holling Press Debs of Buffalo and the Koch's of Dunkirk has already caused a furor among sports editors throughout this section of the state, all of whom feel that Kiwanians here are not only sports conscious but determined to give Warren fans a great show in return for their interest in Warren County's Underprivileged Children.

### MIDDLE ATLANTIC

Niagara Falls, N. Y., Sept. 4.—The Erie Sailors and Niagara Falls, tied at two games each in the seven-game playoff for the championship of the Class C Middle Atlantic Baseball League, met here again tonight.

The Sailors, first-half pennant winners, got only three hits last night, but beat the Falls 5-3 to win the series. All of their hits came in the third and combined with an error, gave them four runs.

The New Yorkers, second-half pennant winners, won the first game of the series 6-4, lost the second 6-3 and took the third 9-7.

## Hot Stove Cadet League Title Awarded to Dan's Chevrolet

Hot Stove League officials today announced that the Dan's Chevrolet team of the Ninth Ward has been awarded the 1951 championship of the Hot Stove Cadet League. The squad was managed by Angus Bailey.

The announcement was made when it was determined that the outcome of the few remaining unplayed games in the loop could not effect the top-running position of the Chevrolet squad.

Dan's finished the league season with a record of 15 wins against only one reverse. The nearest team to Dan's was the Willis Cleaners squad from the Fourth Ward which has a record of 12 wins and three losses, with one game remaining unplayed. The awarding of the championship to Dan's made it a clean sweep for the eastern teams in the

various Hot Stove circuits this year. The G. G. Greene outfit from the Ninth Ward won the Bantam crown; the Times-Mirror squad from the Ninth Ward capped the Midget flag; Western Auto from the Sixth Ward was the winner in the Intermediate loop; and Clarendon capped the Junior League title.

Cadet League team standings on which the awarding of the championship to Dan's Chevrolet was based:

## Deciding Game of Sunset Loop Playoffs Is Scheduled Tonight

Hammond Iron of Warren and Suppa Studebakers of Youngstown go at it again tonight, still trying to settle the 1951 championship of the Sunset Baseball League.

Tonight's clash, slated for 6 o'clock at the State Hospital diamond should be the clincher—unless of course it ends in a draw. Umpires will be Rosequist, Solock and Reed.

The best-of-three playoff series between the two clubs now stands at one win each. Suppas won Friday night's opener by a 3-0 count, while Hammonds bounced back strong on Saturday to hit the Studebakers 6-0.

Both teams have lost some of their strength due to players returning to college classes, but the outcome is still rather pretty much of a toss-up. Should Suppas cap the title, it will be the first time outside of Warren borough ever to win a Sunset League crown.

Very large crowds were on hand to watch both Friday night's and Saturday afternoon's games. Tom Juliano, Suppa third-sacker, was the batting star Friday night. He clouted a double in the first inning and slammed a long triple in the fourth frame. His team mate, Ananca, also had a triple.

Sigworth was the winning pitcher, Smith the loser. Red Kerchner, Hammond ace, handed out the Suppas in Saturday's tilt. He fanned 10, walked none and gave up only three hits. Bennett started on the hill for Suppas, but gave way to Kifer in the third. Their combined record showed nine strikeouts, 20 walks and five hits.

## 20-Game Victory Mark Reached By Ludlow Wildcats

Ludlow Wildcats notched their 19th and 20th triumphs of the season over the holiday weekend by whipping the Jamestown Bombers, 4-1, and downing Black Ash, 3-2. Both the "Cats" foes rated among the district's powerhouses.

Bob Johnson and Dean Whitaker shared honors in turning back Jamestown. Johnson, making his first appearance since an appendicitis operation some time ago, scattered five hits over six innings and collected two singles in his two appearances at the plate. Whitaker took over the mound in the sixth and finished the game. He was credited with a smashing triple that drove in three runs. Carlson was the losing hurler.

Buck Byham's five-hot pitching carried the Wildcats to their triumph over Black Ash. Byham fanned 12 batters and held the visitors scoreless until the seventh when two pats, a walk and an infield error paved the way for two tallies. The Wildcats served up the game in the second stanza when five successive hits produced five runs. Featuring the attack was Tommy Goodwin's double by Jim Thompson's three-bagger.
